Uzbekistan and Türkiye have discussed potential joint projects in the chemical industry during a business forum and a meeting of their bilateral business cooperation council, Uzkimyosanoat said.

The Uzbek-Turkish business forum and the first meeting of the Uzbekistan □□□□□□□□ High-Level Council for Business Cooperation were held in Tashkent.

Participants considered ways to expand trade, economic and investment ties, as well as opportunities to launch joint projects. Business representatives also held business-to-business (B2B) and government-to-business (G2B) talks.
