IRAQ'S TREASURY ALMOST EMPTY: PRIME MINISTER

- 20.05.2020

Anadolu Agency (19 May 2020)

Ali Jawad

Iraqi Prime Minister Mustafa al-Kadhimi said Tuesday he has assumed power as the country's treasury was almost empty.

"When I assumed responsibility I found only an almost empty treasury and an unenviable situation after 17 years of change," al-Kadhimi said in an article published by Baghdad Today newspaper.

"Our sovereignty continued to be deficient, violated and doubted," he said.
