
POLAND AND HUNGARY BATTLE TO ERADICATE 'GENDER' IN EU POLICIES

-

16.12.2020

EU Observer (16 December 2020)

By Eszter Zalan

Hungary and Poland have been systematically attempting to remove the word "gender" and "gender equality" from EU documents agreed by member states.

The efforts by the two nationalist-conservative governments, which have attacked LGBTIQ-rights and women' rights at home, has caused worry among several member states, which see it as a possible roll-back of gender rights.
