## EU ORDERS POLAND TO PAY €70M IN FINES

-

21.01.2022

---

EU Observer (21 January 2022)

The EU Commission has called on Poland to pay around      in fines for failing to suspend the disciplinary regime for its judges that the European Court of Justice said was against EU law.

The EU executive sent its first call for payment on Wednesday (19 January) to Warsaw, after which Polish authorities have 45 days to pay.
