## KYRGYZSTAN, TURKEY REACH AGREEMENT ON SUPPLY OF MEDICINES AND MEDICAL DEVICES

-

18.03.2022

---

Kabar (17 March 2022)

Minister of Health of Kyrgyzstan Alymkadyr Beishenaliev met with his Turkish counterpart Fahrettin Koca as part of his working trip to Turkey.

The press service of the ministry said that the meeting was attended by representatives of the Turkish state joint-stock company "Uskhash" (authorized body, including on issues of medicines and medical devices) and representatives of the Department of Medicines and Medical Devices of the Ministry of Health of the Kyrgyz Republic.

During the meeting, the issue of the supply of medicines and medical devices to Kyrgyzstan, as well as an increase in quotas for the treatment of seriously ill Kyrgyzstanis in Turkey, was discussed.
