Anadolu Agency (17 March 2022)

Daesh/ISIS terror group captured Sinjar in 2014

A total of 81 mass graves of Yazidis have been found in Sinjar district in northern Iraq since 2014, according to a Kurdish official on Thursday.

Baravan Hamdi, Deputy Minister of the Martyrs in the Kurdish Regional Government (KRG), said these graves were dug by the Daesh/ISIS terrorist group. These graves are acts of ethnic cleansing, he told Anadolu Agency.
