ROCKETS STRIKE AREA NEAR IRAQI MILITARY BASE HOSTING US MILITARY CONTRACTORS

-

18.03.2022

Anadolu Agency (18 March 2022)

Haydar Karaalp

At least four Katyusha rockets struck an area around Balad Air Base in Iraq's northern Saladin province, where US and other foreign contracted personnel are located.

"An attack was carried out with four rockets that hit the surroundings of Balad Air Base," the government-affiliated Security Media Network said late Thursday in a statement.

No human or material damage was reported and no group has yet claimed responsibility for the attack.
