
AZERBAIJAN, AUSTRIA DISCUSS PROSPECTS OF BILATERAL CO-OP

-

17.05.2022

AzerNews (17 May 2022)

Azerbaijan and Austria have discussed prospects for cooperation in trade, economics, transport, ICT, agriculture, food security, energy, tourism, and culture fields, Azernews reports.

The discussion took place during the 10th meeting of the joint commission on economic, agricultural, industrial, technical, and technological cooperation between Azerbaijan and Austria in Baku.

During the meeting, the participants discussed the current state of economic, scientific, and technical cooperation between the two countries.
