
20 YEARS AFTER US INVASION, IRAQIS STILL IN QUEST FOR CHANGE

-

21.03.2023

Anadolu Agency (20 March 2023)

Ahmed al-Dulaimi

Iraqis express dissatisfaction with quota-based political system established following US invasion.

Twenty years after the US invasion of Iraq, the country is trying to get back on its feet.

On March 20, 2003, an international coalition led by the US launched a military operation to overthrow Saddam Hussein's regime, and despite toppling the regime on April 9 of that year, the American military presence continued for two decades.
