Milorad Dodik's 'attacks on basic rights, freedom shows that he is on Vladimir Putin's path,' says Antony Blinken.

The US top diplomat has compared a recent political stand by Bosnian Serb leader Milorad Dodik to that of Russian President Vladimir Putin.

"Milorad Dodik's attacks on basic rights and freedoms in Republika Srpska show he is on (Russian) President Vladimir Putin's authoritarian path," US Secretary of State Antony Blinken said on Twitter late Wednesday.
