
LATVIAN MFA TALKS PARTICIPATION IN RECONSTRUCTION PROCESS IN AZERBAIJAN'S KARABAKH

-

16.05.2023

Trend News Agency (16 May 2023)

Latvia is particularly interested in construction and restoration process in Azerbaijan's Karabakh, a source at the Ministry of Foreign Affairs of the Republic of Latvia told Trend.

As the source noted, Latvian Embassy, together with partners in Riga, continues to inform Latvian companies about the reconstruction process in the territories of Azerbaijan [liberated from Armenian occupation], in particular, about the creation of green energy zones, water and waste management, infrastructure projects, buildings design, as well as the restoration of historical and cultural monuments.
