
ANTI CHINESE PROTESTS ARE ON THE RISE IN MYANMAR

- 01.06.2023

The Diplomat (31 May 2023)

Sebastian Strangio

Chinas engagement with the hated military administration has pushed its reputation in Myanmar to new lows.

Yesterday, The Irrawaddy magazine published an article detailing the recent rise in anti-Chinese incidents in Myanmar, following the visit of Chinese Foreign Minister Qin Gang to the country at the start of May.
