## AUSTRALIA'S COUNTERTERRORISM TEAM ARRESTS SEVEN TEENS IN OVERNIGHT RAIDS

-

25.04.2024

---

Al Jazeera (24 April 2024)

Australian police have arrested seven teenagers as they launched a series of anti-terror raids following last weeks stabbing of an Assyrian Orthodox bishop.

More than 400 police officers executed 13 search warrants at properties across Sydney overnight, with the suspects considered an immediate threat, police said on Wednesday. Intelligence officials warned that counterterrorism cases are increasingly focused on minors vulnerable to radicalisation.
