'VOTE OR FACE WAR': POLAND PM'S STARK WARNING AHEAD OF EU ELECTION

-

04.06.2024

BBC News (4 June 2024)

Go to vote if you dont want to go to war.

Thats the stark choice that Polands Prime Minister Donald Tusk is presenting ahead of the European elections this weekend. His team is highlighting security, or, more precisely, the threat of Russian aggression, as the big theme.

With parties sympathetic to Russia set to make gains elsewhere, including in central Europe, Tusks Civic Coalition is stressing that the EU needs to stand firm and united against the danger from Moscow.
