
FRENCH ELECTION DESCENDS INTO MADCAP REALITY TV

-

14.06.2024

Politico (14 June 2024)

BY VICTOR GOURY-LAFFONT

Were only four days into Frances election campaign and the vendettas are already boiling over in a melodramatic flurry of grab-your-popcorn vaudeville acts.

Humiliated in the EU election, President Emmanuel Macron on Sunday called a national parliamentary election, hoping to stem the tidal advances of the far right.

His rivals tried to seize on the historic moment to set enmities aside and unite □ but things havent gone as planned, to put it mildly.
