Shafaq News (13 June 2024)

Iran has offered to participate in Iraq's Strategic Development Road, a major new infrastructure project that aims to connect the country's Gulf ports with Türkiye and Europe.

The offer came during a meeting between Iraqi Prime Minister Mohammed Shia al-Sudani and Iranian Acting Foreign Minister, Ali Bagheri.

Bagheri expressed Iran's support for Iraq's efforts to implement the Strategic Development Road project and its readiness to contribute to it.
