News.az (26 June 2024)

The identities of 20 more individuals missing since the First Karabakh War have been established.

The State Commission of Azerbaijan on Captives and Missing Citizens announced the identification of these remains, News.Az reports.

An expert group comprising employees from the General Prosecutor's Office, the Main Military Medical Department of the State Security Service, the Forensic Medical Examination and Pathological Anatomy Association of the Ministry of Health, the Mine Clearance Agency, and the Institute of Archaeology and Anthropology of ANAS, worked together to establish the identities of these individuals.
