29.07.2024

Vindobona (28 July 2024)

Austria and North Macedonia have further deepened their close relations in a diplomatic meeting. Austrian Foreign Minister Alexander Schallenberg and his North Macedonian counterpart Timčo Mucunski met in Vienna to discuss various topics, including economic cooperation, migration, security, and EU enlargement.

The talks in Vienna were characterized by a friendly and constructive atmosphere and sent a positive signal for the future of bilateral relations between North Macedonia and Austria. Both countries are determined to deepen their cooperation further and explore new avenues of partnership, both at bilateral and European levels.
