## TERESA RIBERA FACES NUCLEAR HURDLE TO RUNNING EU GREEN POLICY

Politico (9 August 2024)	
Victor Jack	
Nuclear-friendly lawmakers and countries like France dont want the EUs potential next green chi to thwart an atomic revival.	e
On paper, the European Unions leading candidate to guide green policy for the next five years he it all: decades of experience, endless high-profile contacts and a shining reputation.	as
Theres just one problem: Teresa Ribera is a hardened nuclear skeptic.
