Alpha News (7 August 2024)

The US Embassy in Armenia responded to the Azerbaijani media article entitled US military enters Zangezur.

In connection with the article published on [caliber. az](https://caliber.az), NEWS. am correspondent contacted the US Embassy in Yerevan.

Eagle Partner 2024, a peacekeeping exercise designed to increase interoperability between the United States and Armenia, successfully concluded on July 24. We can confirm that all US military equipment and personnel have departed Armenia, the embassy said in response to NEWS. am inquiry.
