Radio Bulgaria (11 September 2024)

With the votes of GERB, We Continue the Change (PP-DB) and the Movement for Rights and Freedoms (DPS), Parliament decided to extend by 180 days the negotiations between the Bulgarian Energy Minister and his Ukrainian counterpart on the sale to Ukraine of Russian equipment for the Belene nuclear power plant. During this time, MPs expect to update the market assessment prepared last year and to obtain the necessary approvals from Ukraine's state nuclear energy company Energoatom.
