
FRENCH PM BARNIER NEEDS 4 TYPES OF MINISTERS IF HE'S GOING TO SURVIVE

-

12.09.2024

Politico (12 September 2024)

By Victor Goury-Laffont and Giorgio Leali

Newly appointed French leader faces an uphill battle to form a government with a fragmented parliament, an unhappy left wing, and a far right that wields key influence.

Getting the job might have been the easy part.

Having been named Frances prime minister after an almost two-month political impasse, Michel Barnier must now form a government that reflects the fractured nature of French politics and acknowledges the results of an election won by his political rivals.
