NO: 226, 31 OCTOBER 2024, REGARDING THE EUROPEAN COMMISSION 2024 REPORT ON TÜRKIYE

- 01.11.2024

Ministry of Foreign Affairs (31 October 2024)

On October 30, the European Commission released the 2024 Enlargement Strategy and the Country Reports prepared for all candidate and potential candidate countries, including Türkiye.

We reject the unfair assessments by the EU in the 2024 Türkiye Report, particularly on the political criteria and internal political dynamics.

It is worth noting that the Report makes reference to the progress made in macroeconomic policies and emphasizes the advanced level of Türkiye's functioning market economy as well as its capacity to cope with competitive pressures and market forces within the Union.
