Russia is ready to fight a forever war. Just ask Vladimir Putins favorite pseudo-historian.

Vladimir Medinsky served as the Kremlin chiefs arch-patriotic culture minister from 2012 to 2020, and he oversaw the redrafting of a skewed history curriculum to be taught to Russias schoolchildren. An advocate of putting up statues of Josef Stalin, hes been a leading persecutor of gulag historians and chroniclers.

Russia is ready to fight a forever war. Just ask Vladimir Putins favorite pseudo-historian.
