
SPEAKER OF ARMENIAN PARLIAMENT SEES NO RISK OF ESCALATION DESPITE RUBIO STATEMENT

-

28.05.2025

ArmenPress (27 May 2025)

Speaker of Parliament Alen Simonyan has said he doesnt share the U.S. Secretary of State Marco Rubios recent assessment of a present risk of renewed escalation between Armenia and Azerbaijan.

Simonyan was asked by reporters to elaborate on Rubios statement.

I dont have such information, the Speaker replied. You can send a query to the defense ministry whether there are such trends or movements, but politically I dont see such a thing at this moment, he said.
