Uzbekistan, Turkmenistan and Azerbaijan have adopted a joint statement and signed agreements on transport, logistics, shipbuilding, civil aviation and commodity exchange cooperation during a trilateral summit in Turkmenistans Awaza National Tourism Zone.

Uzbekistans president Shavkat Mirziyoyev recently paid a working visit to Turkmenistan to take part in the summit, aimed at elevating trade, transport and energy cooperation across the Caspian and Central Asian region.

Mirziyoyev travelled to the port city of Turkmenbashi at the invitation of Gurbanguly Berdimuhamedow, the national leader of the Turkmen people and chairman of the Peoples Council. He was welcomed at the airport by Deputy Prime Minister Nokerguli Atagulyev and senior officials before joining bilateral and three-way meetings.
