## AUSTRALIA, US ANNOUNCE BILLIONS OF DOLLARS IN INVESTMENTS IN CRITICAL MINERALS, DEFENSE COOPERATION

Anadolu Agency (20 October 2025)
Muhammed Yasin Güngör
Australia and the US announced bilateral investments worth billions of dollars in critical minerals defense cooperation and technology during Australian Prime Minister Anthony Albanese's Whit House visit Monday.
The two countries signed a critical minerals and rare earths agreement that includes plans for projects worth a total of up to \$8.5 billion, Albanese said as he met with US President Donal

"This is an \$8.5 billion pipeline that we have ready to go," he told reporters.
