Deputy Minister of Foreign Affairs of the Republic of Kazakhstan Arman Issetov took part in a ministerial meeting dedicated to advancing the connectivity agenda between the countries of Central Asia, the Eastern Partnership, Türkiye, and the European Union, Kazinform News Agency cites the Kazakh MFA.

The event brought together foreign ministers from EU member states, as well as from Central Asia, the South Caucasus, and Türkiye.

Participants discussed practical steps aimed at strengthening cross-regional connectivity in the areas of transport, digital transformation, energy, and trade.
