
VUCIC SHRUGS OFF BRUSSELS CRITICISM BY FLAUNTING ECONOMIC CREDENTIALS

- 06.11.2025

Euronews (4 November 2025)

By Eleanor Butler

The president's economic pitch comes against the backdrop of fierce opposition in Serbia and fresh criticism from Brussels.

Serbian President Aleksandar Vučić has defended his leadership against criticisms presented in a new EU report on aspiring members of the bloc.

Speaking at Euronews' EU Enlargement Summit, Vučić shrugged off reprimands from Brussels as well as protests in his own country — by underlining Serbias economic credentials. □
