## WHAT HUNGARY'S ORBAN DID - AND DIDN'T - GET FROM TRUMP

-

10.11.2025

---

BBC News (8 November 2025)

Nick Thorpe

On the surface, the Hungarian prime minister's trip was exactly what he went to Washington for: luxuriant praise and an exemption from sanctions on Russian oil, gas and nuclear supplies.

And all that just five months out from a difficult election.

Look closer, however, and the picture is less clear cut. The US side struck a hard trade deal - and an expensive one for Hungary.
