BBC News (27 November 2025)

Paul Adams

Are we any closer to peace in Ukraine? After a frantic, often confusing few days of diplomacy, Donald Trump seems to think so.

"We're getting very close to a deal," he told reporters on Tuesday.

For his part, Ukraine's President, Volodymyr Zelensky, who had looked and sounded grim over the weekend, said there were now "many prospects that can make the path to peace real".
