
INDIA SENDS GUIDED PINAKA MISSILES TO ARMENIA

-

19.01.2026

Azerbaycan 24 (19 January 2026)

Indias Minister of Defence Rajnath Singh stated that the first batch of guided Pinaka missiles has been dispatched to Armenia from the Solar Defence and Aerospace Limited (SDAL) plant in the city of Nagpur.

According to Report, citing Hindu Business Line, Armenia had previously signed a contract with India for the supply of four batteries of Pinaka systems.

The agreement also includes the export of guided missiles for multiple-launch rocket systems as well as other defense equipment.
