Beijing on Monday renewed its call on the US to stop using China threat to justify its ambition to take over Greenland.

China has repeatedly elaborated its position on the Greenland issue on many occasions. International law, based on the purposes and principles of the UN Charter, is the foundation of the current international order and must be safeguarded, Foreign Ministry spokesman Guo Jiakun told reporters in Beijing.

We urge the US side to stop using the so-called China threat as a pretext to pursue selfish gains, Guo added.
