Prime Minister Nikol Pashinyan received a delegation led by Gert Jan Koopman, Director-General for Neighborhood and Enlargement Negotiations at the European Commission.

The Prime Minister welcomed the delegations visit to Armenia and emphasized the importance of continuously deepening Armenia-EU Union cooperation. Nikol Pashinyan highly praised the EUs consistent support for strengthening democratic institutions in Armenia, promoting the rule of law, advancing economic development, and implementing reforms in the public administration system.

Gert Jan Koopman reaffirmed the European Commissions readiness to continue supporting reforms underway in Armenia and highlighted the progress made in expanding the EU-Armenia partnership. He underscored the importance of advancing cooperation in the areas of economic resilience, digitalization, and infrastructure development.
