DRONES TARGETING US CONSULATE COALITION BASE IN NORTHERN IRAQ'S ERBIL INTERCEPTED

-

04.03.2026

Anadolu Agency (3 March 2026)

Haydar Sahin

Multiple explosive-laden drones aimed at the US Consulate General and the US-led coalition base at Erbil International Airport in northern Iraq were intercepted by air defense systems on Tuesday, with loud explosions echoing across the city as tensions soar following US-Israeli strikes on Iran.

Air defense systems, including US-operated ones, were activated to neutralize the incoming drones, preventing direct hits on the targeted facilities.
