*Washington outranks Beijing as a threat in Spain, Italy, Belgium and Germany, according to POLITICO Pulse survey.*

The U.S. under Donald Trump is seen as more of a threat than an ally, according to a new POLITICO Pulse survey of six major EU countries.

Since returning to power in January 2025, Trump has questioned Washingtons commitment to NATO, threatened to annex Greenland and Canada, hit allies with tariffs and launched a war with Iran that European countries refused to join.
