KYRGYZSTAN AND UZBEKISTAN DEBATE KAMBARATA-1 HYDROPOWER PLANT PROJECT

-

05.05.2026

Kazinform News Agency (4 May 2026)

Delegations from Kyrgyzstan and Uzbekistan met in Tashkent from April 28 [] to advance negotiations on the draft intergovernmental agreement for the construction of the Kambarata-1 hydroelectric power plant (HPP), Qazinform News Agency cites Kabar.

The project envisions a plant with 1,880 MW output, strengthening Kyrgyzstans energy independence and enhancing regional energy stability.

Economic impact: Officials emphasized the projects mutual economic benefits and its role in fostering closer ties between the two nations.
