UZBEKISTAN TO OPEN CENTRAL ASIA'S FIRST REGIONAL NUCLEAR TRAINING CENTER

-

01.07.2026

The Caspian Post (1 July 2026)

Uzbekistan is set to establish a Regional Nuclear Knowledge and Skills Center in Tashkent, aiming to strengthen nuclear education, workforce training, and safety standards across Central Asia.

The new center will operate as a dedicated division of the Tashkent branch of the National Research Nuclear University MEPhI (Moscow Engineering Physics Institute), The Caspian Post reports via Lex.uz.
