Azerbaijani defense minister, Baykar chairman discuss joint production through advanced technologies, with talks focusing on UAVs, electronic warfare, unmanned systems.

Azerbaijani Defense Minister Zakir Hasanov met with a delegation led by Baykar Chairman Selcuk Bayraktar to discuss expanding defense cooperation and joint production between Azerbaijan and Türkiye.

According to an Azerbaijani Defense Ministry statement on Friday, Hasanov said relations between the two "fraternal countries" continue to develop successfully in the military sphere, alongside cooperation in other fields.
