Ahmad Adil

Indian Prime Minister Narendra Modi on Tuesday said he discussed ties, energy, technology in call with his Canadian counterpart Mark Carney.

Had a warm and productive conversation with Prime Minister Mark Carney, Modi said on US social media company X.

Modi said the two leaders, agreed to build on the positive momentum in India-Canada ties, and work towards concrete outcomes across key areas of our Strategic Partnership, including trade, energy, technology, security and people-to-people ties.
