ArmenPress (21 October 2026)

Minister of Foreign Affairs and International Trade Ararat Mirzoyan has expressed hope that Armenia and Russia will find solutions to the problems facing Armenias railway system through a joint working group.

Mirzoyan commented on the matter when asked about it by Civil Contract MP Sona Ghazaryan at a meeting of the Armenian Parliaments Committee on Foreign Relations.

The MP referred to the recent visit to Armenia by the head of Russian Railways, asking about the work and progress made toward modernizing the railway and improving passenger services.
