
EU PROSECUTORS RAID FAR-RIGHT PATRIOTS FOR EUROPE OFFICES IN BRUSSELS AND STRASBOURG OVER ALLEGED MISUSE OF PARLIAMENT FUNDS

-

22.10.2026

EU Observer (21 October 2026)

Fred BYRNE

Offices of staff in the Patriots for Europe (PfE) group were raided in France and Belgium on Wednesday (21 October).

The European Public Prosecutors Office (EPPO) told EUobserver that searches were carried out as part of an ongoing investigation into the use of European funds by a former political group in the European Parliament.

But the law enforcement body said it would not release details of the investigation for now, to avoid jeopardising the integrity of the case.
