Eurasiareview (1 April 2026)

Prime Minister Nikol Pashinyan will travel to Russia on April 1 for a working visit, during which he will meet President Vladimir Putin in Moscow.

According to the Armenian prime ministers press service, the meeting will take place as part of Pashinyans official visit to the Russian Federation.

The Kremlin said the sides plan to discuss the current state and future prospects of Armenian-Russian strategic partnership and allied relations, as well as cooperation within Eurasian integration frameworks.
