Kamol Ismailov

Uzbekistan has reached several agreements with international partners aimed at supporting private sector development and strengthening economic policy during the international forum Central Asia: From Productivity to Prosperity. Regional Dialogue held in Tashkent, Trend reports via the Ministry of Finance and Economy of Uzbekistan.

In particular, a joint project with the German Agency for International Cooperation (GIZ) for 2026-2027 has been launched, focusing on private sector development and economic policy support. The initiative provides grant funds in the amount of 3 million euros to promote entrepreneurship.

Additionally, Uzbekistan signed a memorandum of cooperation with the Asian Productivity Organization (APO), as well as a strategic partnership program with the organization.
