*Czech Republic among Kazakhstans key trade, economic partners in Europe, official says.*

Kazakh Prime Minister Olzhas Bektenov met Tuesday with his Czech counterpart, Andrej Babis, in Astana to discuss prospects for expanding cooperation in trade, economy, investment, industry, energy, transport and logistics, digitalization and humanitarian ties.

A Kazakh government statement said the Czech Republic is among Kazakhstans key trade and economic partners in Europe, with mutual trade volume reaching \$705 million at the end of 2025.
