Azerbaijani President Ilham Aliyev on Sunday held separate meetings with Eswatinis King Mswati III and Kenyan President William Samoei Ruto in the capital, Baku.

According to the Azerbaijani presidential press service, the meetings were held on the sidelines of the 13th session of the UN World Urban Forum.

During talks with King Mswati III, Aliyev discussed the development of bilateral ties between Azerbaijan and Eswatini, including prospects for cooperation in energy, mining, and other sectors.
