The Astana Times (29 June 2026)

Kazakhstan has joined the U.S.-led Pax Silica initiative and the AI Opportunity Partnership, marking a step toward expanding international cooperation in artificial intelligence, attracting investment and accelerating the countrys high-tech industrial development.

Deputy Prime Minister and Minister of Artificial Intelligence and Digital Development Zhaslan Madiyev signed the Declaration on Kazakhstans accession to the Pax Silica initiative and the joint statement on the AI Opportunity Partnership during the second Pax Silica Summit in Washington, D.C., reported Kazinform on June 27.
