
IRAN PROPOSES "CIS+1" FORMAT TO STRENGTHEN COOPERATION WITH TEHRAN

-

09.10.2026

The Caspian Post (9 October 2026)

Iranian President Masoud Pezeshkian has proposed establishing a CIS+1 format to strengthen cooperation between Tehran and the Commonwealth of Independent States (CIS).

Pezeshkian made the proposal while speaking at the CIS summit in Turkmenistan, according to Report.

A CIS + Iran or CIS+1 format should be established as a flexible and effective mechanism for dialogue and cooperation, he said.
