The amazing Mid Summer Ball will also feature at the festival with performances from twenty famous Turkish Cypriot musicians including DJ Ramsey, Havva from X Factor, DJ Fen, J Junior, Mr Jones and DJ Eren. There will also be a special guest appearance from actor Tamer Hassan.

For supercar enthusiasts there will be a display of high-end luxury cars including Ferraris, Porches, and Lamborghinis available for that perfect Instagram photo.

For attention of everyone interested in Cyprus issue,

Please sign the attached letter ([click here to download](#)) and send to your local MPs to inform them that the letter campaign launched on the website of the National Federation of Cypriots is laden with false claims and misrepresentations regarding the Cyprus issue, particularly targeting the legitimate rights and interests of the Turkish Cypriot people as co-owners of the island. The more letters we send, the more chance we have to be heard.

Please use #SpeakupforTurkishCypriots hashtag in social media to raise awareness of this important issue and also in written communication please include the arguments we have raised regarding hydrocarbon.
